Dear Mr. Bing:

In response to the notation on our memorandum for 1920 dues, I beg to apologize for having sent this to you. It is entirely due to an oversight, and the assistant who formerly had these matters in charge has been obliged to leave us because of illness, and in consequence there have been several errors.

Thank you for calling our attention to this one.

Very truly yours,

Secretary.

NEW YORK

December 20th, 1922.

Mr. Alexander M. Ring,
516 Fifth Ave.,
New York, N. Y.

Dear Sir:

The Society's collection of decorations and war medals has so greatly increased during the past two years that the swing-cases for exhibiting it prove entirely inadequate. Unfortunately, one-third of the collection is not on view owing to this lack of space.

The swing-cases are hung on two sides of each of the four columns in the exhibition room, and it has been found practicable, by providing larger bases, to hang five cases instead of the present three to the columns, thereby increasing our exhibition space by two-thirds.

The additional sixteen cases will provide adequate space for this valuable collection, which is probably the largest and most important in existence. The Society feels that it owes to the memory of the late Mr. J. Sanford Saltus, its friend and benefactor, proper provision for the display of the collection in which he took such great interest and to which he contributed the largest part of its treasures.

These new cases, together with the larger bases, will cost approximately \$1,000. Two of the Society's members have already contributed \$100. each. It would be greatly appreciated if you could see your way clear to assist in the matter of raising the necessary amount for this purpose.

Trusting you will lend your support, and that we may receive a cheque from you made out to the order of The American Numismatic Society, I am,

Very truly yours,

Edward T. Newell
President.
